COMMENTS:

This bill would extend the expiration date of the California Internet Tax Freedom Act to either January 1, 2003, or January 1, 2004, as specified.

The August 23, 2001, amendment made a minor technical change and added a co-author.

The amendment does not affect the department and is not discussed in this analysis. The department's analysis of the bill as introduced February 21, 2001, still applies.
